It details the key features, benefits, limitations, and exclusions, but you still need to read the policy wording, schedule and any endorsements for a full description of the terms of the insurance. The levels of cover and excesses which apply to your insurance are detailed on your schedule. This policy summary does not form part of the policy wording.

Cover is provided for a range of travel insurance benefits. You can select single trip cover to the geographical area you specify or annual multi-trip cover for European or Worldwide travel.
