## Period of insurance

The period of insurance is specified on your **policy documentation**. All trips must start from your **country of residence**. If your return to your **country of residence** is unavoidably delayed for an insured reason, cover will be extended for the period of the delay. No cover can be provided for trips that have already commenced at the start date of your policy except where you renew an existing annual multi-trip policy which fell due for renewal during the trip.

#### Single trip policies:

Cover under the Cancellation section starts from the date of issue of the **policy documentation** and ends on commencement of the planned trip. For all other sections, cover starts when you leave your **home** or business (whichever is the later) to commence the trip and ends on whichever of the following occurs first:

1. the expiry of the period of cover; or
2. your return **home** as planned, at the end of the trip; or
3. your first return **home** prior to the planned return at the end of the trip (except in the case of Backpacker policies, where if you return to your **country of residence** within the planned trip dates, cover will be suspended from the time you arrive in your **country of residence** and will only continue once you leave immigration control in the country of your next ticketed destination).

Cover is included whilst travelling directly from your **home** or business (whichever is the later) to your departure point and back again when you return, limited to a maximum of 24 hours in each direction.

Claims will only be paid where the policy has been purchased to cover the whole duration of your trip even if the incident you are claiming for happens during the part of the trip you have covered.

#### For one-way trips only:

Cover ends on whichever of the following occurs first:

1. the expiry of the period of cover; or
2. when you first leave immigration control in the country of your final ticketed and declared destination.

#### Annual Multi-trip policies:

Cover under the Cancellation section starts from either the commencement date on the **policy documentation** or the time and date at which each trip is booked (whichever is the later), and ends on whichever occurs first of the following:

1. the commencement of each trip; or
2. the expiry of the period of cover.

Cancellation cover for trips booked to commence outside the period of cover is limited to the geographical region shown on your **policy documentation**.

For all other sections, cover starts when you leave your **home** or business (whichever is the later) to commence each trip within the geographical region shown on your **policy documentation**, and ends on whichever occurs first of the following:

1. the expiry of the period of cover;
2. or your return **home** as planned, at the end of each trip; or
3. your first return to your **country of residence** prior to the planned return at the end of each trip; or
4. your period of travel exceeding the trip limit.

Cover is included whilst travelling directly from your **home** or business (whichever is the later) to your departure point and back again when you return, limited to a maximum of 24 hours in each direction.

The total length of any one trip on an annual policy is limited to the maximum number of days shown on your **policy documentation**.

If your policy renews during a trip then the maximum number of days limit applies to the whole trip.

This policy is not valid for trips within your **country of residence** unless you have booked accommodation for 2 nights or more which has been paid for or is contracted to be paid for.

## Medical health requirements

This insurance is designed to cover you for unforeseen illnesses and accidents occurring during the period of insurance and contains health restrictions that apply to the Cancellation, Curtailment, Medical Emergency Expenses and Repatriation and Personal Accident sections of the policy wording.

#### It is very important that you read the following:

1. You will not be covered for anything that arises from, is related to, or has been caused by, **ANY pre-existing medical conditions**, unless you have told us about **ALL** the conditions and we have agreed to cover them.
2. If we are unable to cover the **pre-existing medical condition**, this will mean that you and any other insured person will not be covered for any directly or indirectly related claims arising from the **pre-existing medical condition**.
3. You will not be covered for any directly or indirectly related claims if, at the time of purchasing this insurance, you are receiving or waiting for tests, investigations or treatment for any **medical condition**.
4. This insurance will not cover anyone travelling against medical advice or to get medical treatment abroad.
5. If anyone has an undiagnosed **medical condition** (for example, if waiting for tests, investigations or treatment), or has been given a terminal prognosis, this policy will not cover any related claim against the Cancellation, Curtailment or Medical Emergency Expenses and Repatriation sections.
6. At the time of purchasing this insurance have you been taking any medication, tablets, received any treatment, had surgery, undergone any investigations or attended any consultations (with a **medical practitioner** or specialist) for **ANY medical conditions** during the last 12 months (other than common colds or flu)?  
If you answer "YES" to the above question at the time of taking out this insurance, or at any time between taking out the insurance and the start date of your trip, you should notify Customer Services. You may be required to pay an additional premium to extend the insurance to cover any **pre-existing medical conditions**.

**Change in health**

- If you have a **change in health** after you have taken out this insurance, we reserve the right to alter the terms of this insurance based on the change. Cover under the Medical Emergency Expenses and Repatriation, Cancellation, Curtailment or Personal Accident sections of the policy will only continue to be provided where the **change of health** has been declared and accepted by us. You should notify Customer Services as soon as you are aware of a **change in health**, failure to do so could result in your claim being declined.
- If we cannot provide cover for your **change in health**, you can either
  - make a cancellation claim if you have booked and paid for a trip that you have not yet made; or,
  - cancel your policy and we will send you an appropriate refund, as long as you have not travelled or made a claim.
- Please refer to the 'Anyone upon whom the trip may depend' section for terms that apply for non-travelling **immediate relatives, travelling companions** not insured by this insurance and people that you intend to stay with.

**Anyone upon whom the trip may depend**

An **immediate relative** who is not travelling with you, a **travelling companion** not insured by this insurance or the person with whom you are intending to stay, may have an existing **medical condition**. In some cases, if their state of health deteriorates greatly, you may want to cancel or **curtail** your trip.

Subject to all the other terms and conditions, such claims are covered if the person's **medical practitioner** can confirm in writing that, at the time you bought this insurance, or at the time of booking the trip, whichever is the later, they would have seen no substantial likelihood of their patient's state of health deteriorating to such a degree that this would become necessary. If the **medical practitioner** will not confirm this, your claim is not covered.

**Travelling when pregnant**

Pregnancy is not a medical condition. You may decide to travel until you are quite late into your pregnancy. Airlines and ferry/shipping companies including cruise liners have their own restrictions due to health and safety requirements. You should check with them or any other mode of transport you propose to take before you book. Please make sure that your **medical practitioner** and midwife are aware of your travel plans, that there are no known complications and that you are not travelling against any medical advice. We have the right to request a medical certificate to confirm this. We will only pay claims due to a **complication of pregnancy**, or where you were unaware of the pregnancy at the time of purchasing the insurance and you are advised not to travel by a **medical practitioner**.

**'Cooling off' period**

If, having examined your **policy documentation**, you decide the insurance does not meet your needs, you can cancel the insurance within 14 days from the date you receive the **policy documentation**, and we will refund the premium provided you have not taken a trip to which the insurance applies, and you have not made a claim.

**Sports and activities**

We will not pay any claim directly or indirectly resulting from participation in certain activities, professional or organised sports, racing, speed or endurance tests.

Where cover for sports and activities is provided, it is on the basis that you are participating on a recreational and non-professional basis. Any participation in sports or activities is subject to your compliance with local laws and regulations and the use of recommended safety equipment (such as helmet, harness, knee and/or elbow pads).

**Sports and activities covered**

Participation in the following activities is covered at no additional premium and without the need for prior declaration.

Cover is provided whilst participating in these sports and activities under all sections of the policy except the Personal Property section (unless otherwise agreed).

If you do not tell us about your planned sport or activity we may not pay any claims arising from your participation.

## Automatic renewals for annual multi trip policies

### How does this work?

Where possible we will renew your policy automatically to avoid any unintended break in your policy cover. We will write to you at least 3 weeks before your policy is due to expire to provide you with details of the new premium and any changes to the policy terms and conditions. If you are still eligible and are happy with the renewal information, you do not need to contact us as we will automatically collect your premium and renew your policy.

### When will my renewal payment be taken?

Payment will be taken from the original credit/debit card two weeks before the renewal date. Please note that, for security, we do not store your full credit/debit card details as, at renewal, we will send a unique code to the bank that holds your payment details which authorises them to charge the relevant premium to your original payment card.

### What happens if I need to make changes?

We will remind you to tell us about any changes to your personal circumstances, including any **medical conditions**. If your previous policy included cover for any **medical conditions**, you will not be eligible for automatic renewal so will be advised to tell us about them again (including any new **medical conditions** that you may now have). If you would like to make any changes to the policy, please contact Customer Services by emailing [customer.services@columbusdirect.com](mailto:customer.services@columbusdirect.com)

### What if my credit/debit card used last year has expired?

If the card has been renewed then your bank should still allow payment to be collected. If payment cannot be taken we will contact you before your policy ends to arrange renewal.

### What if I have changed my mind?

If you do not want us to automatically renew your policy, all you need to do is contact Customer Services by emailing [customer.services@columbusdirect.com](mailto:customer.services@columbusdirect.com) and let us know before payment is taken. Once payment has been taken you can still cancel the new policy and obtain a full refund but you must contact us within 14 days from the date you receive the **policy documentation**.

## Reciprocal health agreements

**In Europe:** If the United Kingdom (UK) is a member of the European Union (EU), residents of the UK are entitled to medical treatment which becomes necessary when temporarily visiting countries in the EU, Iceland, Liechtenstein, Norway or Switzerland free of charge or at a reduced cost by using the European Health Insurance Card (EHIC). You can apply for an EHIC for your spouse/partner and any children up to the age of 16 (19 if they are in full time education) at the same time as applying for your own. You can apply online at [www.ehic.org.uk](http://www.ehic.org.uk) or by calling 0300 330 1350.

If we agree to pay for a medical expense which has been reduced because you have used an EHIC, we will not deduct the **excess** under the Emergency Medical Expenses and Repatriation section.

**In Australasia:** There are reciprocal medical treatment arrangements for United Kingdom nationals travelling in Australasia.

If you need medical treatment in Australia, you should enrol with a local MEDICARE office. You do not need to enrol when you arrive, but you should do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge or at a minimal cost. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website [www.medicareaustralia.gov.au](http://www.medicareaustralia.gov.au).

If you are admitted to hospital then immediate contact must be made with the **medical emergency service** and their authority obtained for any treatment that may not be available under the reciprocal arrangements before such treatment is provided.
